- Great learning experience-I can see it will make a difference. The pace and type of delivery were well suited to the content.
- This was the most important and meaningful of all the sessions.
- This program caused us to open our minds to new ideas on leadership. Alex and Mal are assets to this program.
- Great class! There were a couple of times where it would have been good to move on a little sooner.
- Alex did a great job of getting us to think, which to me was the best learning out of all sessions.
